**VALLA 75E**

## DISCOVER OUR VALLA 75E

A strong and compact  
7.5T electrical crane.

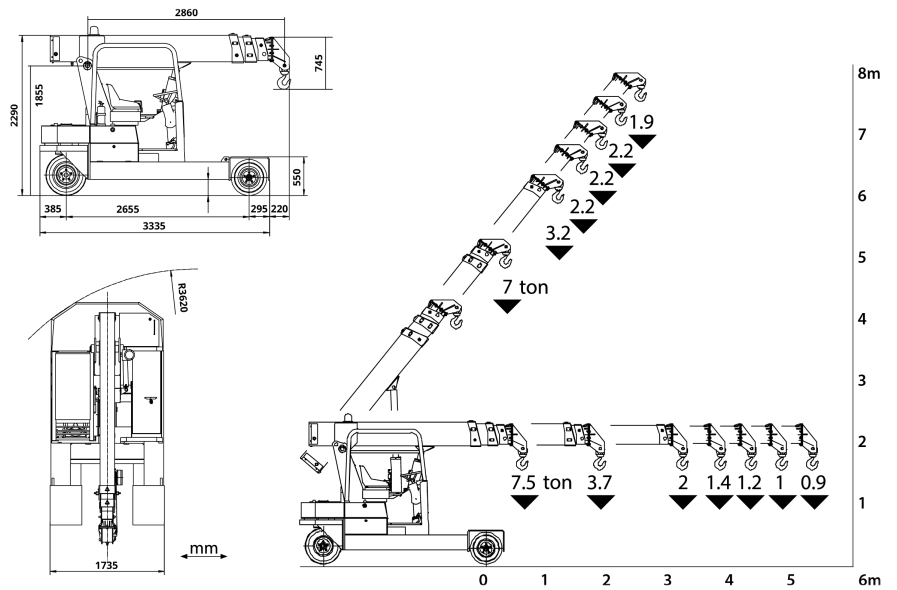

The Valla 75E is an industrial crane that is low-noise and creates zero-emissions yet has a maximum safe working load of 7.5t. The compact crane's highly-efficient batteries deliver long-lasting power and fast charging.

The pick and carry crane simplifies multiple site lifting, improving safety and productivity in a wide range of industrial environments, including aviation maintenance and factory machinery moving and installation.
